

MARBLE SHIELD SELF-ADHESIVE FILM

by Surface Shields

Protect marble and cast polymer from chips and scratches with Marble Shield. It provides an excellent moisture barrier and resists ripping and tearing. This marble protection film rolls on smoothly and removes easily. It's the perfect film to protect expensive marble on the jobsite or for shipping purposes.

- Self-adhering film
- Protects cultured marble and cast polymer from chips and scratches
- Provides an excellent moisture barrier and resists ripping and tearing
