

QUICK SHIELD™ SELF-ADHERING FILM

by Surface Shields

The perfect tool to protect carpeting along trim and baseboards. Quick Shield is easy to use and peels off cleanly, without leaving any residue. Use it to hold down tarps or on it's own. It's the most convenient solution to paint drips, spills, construction dust, dirt and moisture. Quick Shield is available as a kit with a 35" expandable roller and two 50' rolls. For larger jobs and refill needs, the 100' roll 12 pack is available.

- Self-adhering film that goes down fast
- Helps protect carpets most at risk areas - along baseboards and near walls
- Protects carpeting from paint drips, spills, construction dust, dirt and moisture
