

# ZIP N CLOSE® SELF-ADHESIVE ZIPPERS

by Surface Shields

Create instant access to plastic enclosures and tarps with Zip n Close self adhesive zippers. These user friendly zippers can be applied in just minutes forming a secure zipper door. Simply peel off the backing paper and apply to the desired entry location. Then cut through the entire length of the zipper opening using a utility knife. It's that easy!

The red Zip n Close zipper is 1.5" wide by 7' long. For those who require a more heavy duty zipper, we offer a 3" wide zipper. Both sizes have a very aggressive adhesive ensuring that dust or debris will not escape. Both the ZA02 and the ZC02 are available as a two pack.
