

# DOOR ARMOR™ INDOOR SELF-ADHESIVE FILM

## Protect many doors for construction projects with Door Armor.™

This heavy duty, co-extruded film resists and prevents marks and scratches. It has a unique resin that adheres to almost all smooth and lightly textured surfaces. Use it on factory finished wood and factory finished metal doors, composite, even glass; without the risk of adhesive residue. This door protection film is easy to apply and allows for fast application and removal.

**TOUGHER  
THAN THE  
JOBSITE.™**
