CARPET PROTECTION PRODUCTS

Surface Shields® carpet protection products are the trusted solution by thousands of distributors and contractors worldwide. With quality control a priority, Surface Shields® tracks new industry trends, fibers, dyes and stain treatments. We proudly produce hundreds of millions of square feet in pressure sensitive film each year for the toughest professionals all over the world. Our carpet protection line proudly remains the industry leader.

1 CARPET SHIELD®

TEMPORARY CARPET PROTECTION

Carpet Shield® is a clear, self-adhering protective film for most types of carpeting and with a special blend of polyethylene, Carpet Shield® is highly resistant to tears or punctures and won't shift once applied. Ideal during remodeling, painting and moving, it minimizes clean up and damage claims. Carpet Shield® provides protection for up to 30 days and is available in a variety of sizes, including larger reverse wound rolls for quicker application. *Shown CS24200L*

2 SURFACE SLEDS

GLIDERS FOR CARPETING

Moving heavy objects across carpeting is a breeze with the extra smooth bottom on Surface Sleds. These furniture sliders glide across the floor with ease and feature a thick, impressionable foam top to keep furniture from slipping off the sled. Surface Sleds are built to last and formulated to be nearly unbreakable. *Shown AP1, APH*

3 QUICK SHIELD™

SELF ADHESIVE FILM

The perfect tool to protect carpeting along trim and baseboards, Quick Shield™ is easy to use and peels off cleanly without leaving any residue. Protect against paint drips, spills, construction dust, dirt and moisture with Quick Shield.™ *Shown QSKIT*

Featured left: as the leading carpet protection brand on the market, larger rolls are available and can be applied even faster with the Multi Applicator, p. 36.

HARD SURFACE PROTECTION PRODUCTS

The demand for floor protection is stronger than ever. Dependable products like Builder Board,[™] the most durable paperboard on the market and innovative Plasti Shield[™] lead the way for contractors looking to protect surfaces on the toughest jobs. As we continue to expand our industry support, our line including Pro Shield, Surface Sleds, and Neo Shield[™] remain highly popular among professionals. Surface Shields[®] proudly stands as the Professionals' choice for hard surface protection needs.

1

1 BUILDER BOARD™

HEAVY DUTY PAPERBOARD

Builder Board™ is the most durable floor protection product on the market and the only board available with a Tru Density™ rating of 3.3kg/m³. This product replaces the need for bulky sheets of Masonite by rolling out fast and flat. With Liquid Shield™ technology, Builder Board™ is spill proof, defending against water, paint, mud and more. It is 100% recyclable and available for custom logo printing to promote your business.

Shown BLDLS38100

2 BUILDER BOARD™ PROJECT EDITION™

MEDIUM DUTY PAPERBOARD

Protect the job with the same professional grade you expect from Builder Board™, now in a lighter roll. More durable than any other board in its class, Project Edition™ hugs surfaces like never before and comes ready to work in a lighter roll. It still guards against water, paint, mud, is 100% recyclable and proudly made in the U.S.A.

Shown BLDPE35100

2

Featured left: as the most durable, most complete line of paperboard products on the market, the Builder Board™ line, along with Builder Board™ Seam Tape, makes protecting flooring easier than ever, p. 44.

1 NEO SHIELD™

REUSABLE NEOPRENE RUNNER

Neo Shield™ is the ultimate reusable surface protector that rolls out flat, clinging to floors and steps with a non-adhesive, slip resistant backing. Perfect for professional movers and installers, Neo Shield™ protects for jobs big and small, rolling up quickly to save time. Now available for custom printing with your logo. *Shown NSR2720CP*

1

2 COVER SHIELD

PREMIUM FIRE RETARDANT PROTECTION

Cover Shield provides heavy-duty fire retardant surface protection for a wide variety of industrial, medical, laboratory, nautical, military and government applications. It rolls out quickly, easily and is reusable. In many industries, Cover Shield can be used to replace costly alternatives like fire resistant plywood or door skins. Make the switch to premium Cover Shield today. Available in 10mil and 20mil. *Shown CVR2036100*

2

3

3 KRAFT SHIELD

CONSTRUCTION GRADE PAPER

Kraft Shield is an excellent resource for professional contractors looking for a dependable utility solution to protect flooring and cabinets from paint and spills. It is 100% organic and biodegradable, making it an easy choice for environmentally conscious professionals.

Shown KP35144

4 MULTI SURFACE

PROTECTION FILM

Multi Surface Protection Film is a durable, self-adhering film for hard surfaces such as tile, marble, granite, vinyl, VCT, laminates and factory finished hardwood. Not only is it great for floor protection, but can be used to prevent damage to most counter tops, tubs, sinks, and more. Multi Surface Protection Film is ideal for remodeling, painting, moving, model home tours and more. *Shown FS36500*

4

1 WATER SHIELD

LIQUID RESISTANT KRAFT PAPER

Protect hardwood, ceramic tile, travertine, marble and more with Water Shield. This heavy-duty protective paper is made from two strong kraft paper sheets laminated together with a nylon scrim reinforcement. Water Shield does not tear under normal site traffic and prevents water and other liquids from soaking through to damage flooring. Utilize the benefits of this construction grade, liquid resistant kraft paper at your next jobsite. *Shown WS36300*

1

2 PLASTI SHIELD™

FLOOR AND WALL PROTECTION

One of the fastest growing protection products in the building and construction industries, this reusable, corrugated plastic sheeting is a lightweight alternative to Masonite. Plasti Shield™ is perfect for floor and wall covering protection, counter-top protection, temporary window or door replacement and temporary clean room applications. Plasti Shield™ is extremely durable and can be precision cut with a standard utility knife. Available for custom printing with your logo. *Shown PLS4896W4*

2

3 PLASTI SHIELD™ FR

FIRE RETARDANT FLOOR AND WALL PROTECTION

With the same lightweight and durable properties, Plasti Shield™ is also available in a specialty Fire Retardant version. Plasti Shield™ FR is perfect for jobsites requiring fire rated materials and has been engineered with Polypropylene Copolymer, a higher mineral content due to flame inhibiting additives. *Shown PLS4896WFR*

2

3

1 MULTI SHIELD

ALL PURPOSE PROTECTION

Protect hard floors and other surfaces from damage on the jobsite with Multi Shield protection. It's breathable, waterproof, impact resistant and features an ultra-light skid and slip-proof adhesive bottom that will not leave a residue. Multi Shield is extremely lightweight making it easy to carry from jobsite to jobsite. When finished, just fold it over and roll it up.

Shown MS40164

2 SURFACE SLEDS

GLIDERS FOR HARD SURFACES

Move heavy appliances, furniture and other objects smoothly and safely across floors with Surface Sleds. The extra soft bottom prevents floor scratches and marks, while the thick memory padding on top provides ample cushion for heavy objects. Surface Sleds for hard surfaces are perfect to use on hardwood floors, ceramic tile, vinyl and more.

Shown APH1, APH

3

3

3 PRO SHIELD

REUSABLE MAT RUNNER

Pro Shield is a light weight, rolled matting that protects floors, counters and other surfaces from damage and debris. Its felt material is highly absorbent and the rubber backing prevents liquids from soaking through. This floor protection is widely used among the moving, construction and automotive industries. Protect hardwood, ceramic tile, carpet, shop floors, and more. It's also slip resistant, providing a safer, more dependable work environment. *Shown PS2420*

Chicago, IL: Extensive college modernization project using Builder Board™ heavy duty paperboard protection, featured p. 11.

DUST CONTAINMENT PROTECTION PRODUCTS

As the number of construction, drywall and abatement projects continue to grow, so does the demand for tough dust containment products. Popular items include Dust Shield PRO™ poles, Shoe Covers, Duct Cover Shield and Step N Peel™ Clean Mats. These products bookend this Surface Shields® category that remains the professionals' choice for dust containment.

1

1 DUST SHIELD PRO™

EXTENDABLE POLES

Dust Shield PRO™ is the innovative system that makes constructing temporary walls to control dust and heat loss, quick, simple and affordable. The locking head ensures screening will not slip and the high-strength, dent resistant poles (with patented micro-adjust handles), are designed to stand up to the toughest conditions. When the job is complete, Dust Shield PRO™ poles compact for easy storage. Available in 10, 12 and 20 ft. *Shown DSPRO12*

2

2 ZIP N CLOSE®

SELF ADHESIVE ZIPPERS

Create instant access to plastic enclosures and tarps with Zip N Close® self adhesive zippers. These user friendly zippers can be applied quickly to form a secure entry to any containment area. Simply peel off the backing paper, apply to the desired entry location and cut through the entire length of the zipper opening using a utility knife. *Shown ZC02*

Featured left: from remodels, painting projects and more, Dust Shield PRO™ poles, along with tacky Clean Mats, offer perfect solutions to prevent dust and debris from spreading. Available in multiple sizes, p. 28.

1

1 DUST CONTAINMENT KIT®
TEMPORARY WALL SYSTEM

The Surface Shields® Dust Containment Kit contains four Dust Shield PRO™ poles, two Zip N Close® zippers and a heavy duty canvas bag. With the toughest extendable poles on the market, along with our zippers, all you need is your favorite poly sheeting to construct the ideal temporary wall system.

Shown DSPKIT

2 VENT MASK
SELF ADHESIVE FILM

Vent Mask is used for temporarily covering duct registers and return grills during leak testing, cleaning duct work, reno work and more. Vent Mask comes perforated on various sized rolls for quick and easy application. *Shown VMB13185P13*

2

3

3 SHOE COVERS

DIRT AND SCUFF PROTECTION FOR FOOTWEAR

Protect flooring and footwear with Surface Shields® brand shoe covers. Available in three different materials, these shoe covers provide protection at most jobsites. The plastic shoe covers are great for outside use and our cloth covers are perfect to protect flooring from dirt, scuffs and skids during all types of indoor projects. Finally, the polyethylene coated shoe covers are skid resistant and waterproof. *Shown SC3001PB*

4 DUCT COVER SHIELD

SELF ADHESIVE FILM

The ultimate film for duct protection, Duct Cover Shield is a self-adhering protective film for HVAC ducts. It has a very high adhesion that won't leave a residue on metal after removal. This durable film is highly resistant to tears and punctures and helps to meet SMACNA guidelines for providing temporary closures to open ductwork. *Shown DCR324200B*

4

1

1 STEP N PEEL™ CLEAN MATS

DIRT REMOVAL WITH REUSABLE BOARD

The Step N Peel™ Clean Mat is a polyethylene film mat with a tacky surface to remove dust and dirt from footwear. This unique product features a sturdy, reusable platform constructed of rigid polystyrene with a nonskid backing that holds it securely to surfaces such as carpeting, tile, concrete and more. Simply peel away the sheets and replace with a refill pack when empty. Step N Peel™ is also available for custom printing with your company logo and messaging.

Shown top: DG30W, right: DGC

1

2

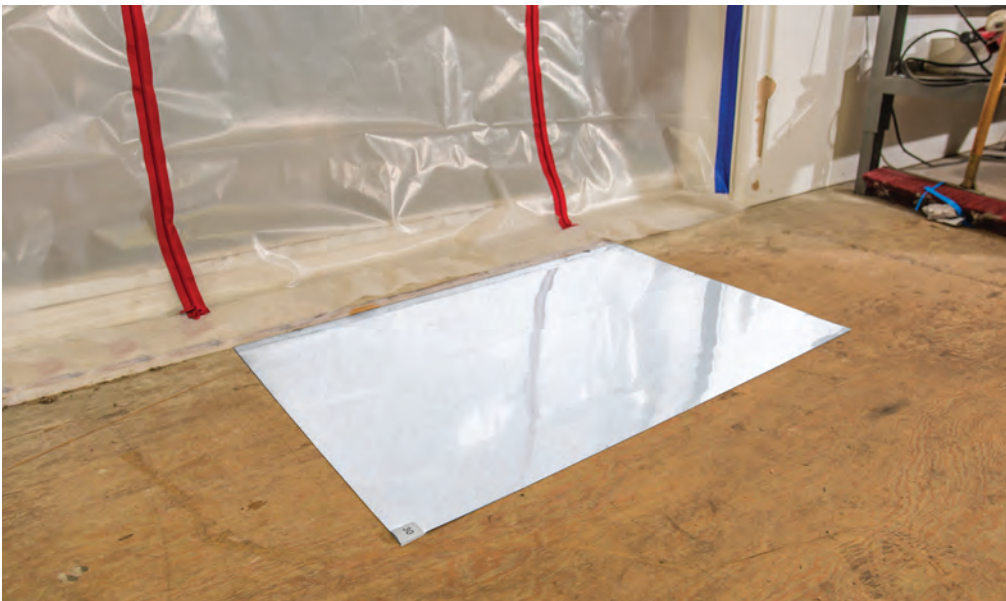

2 CLEAN MATS

DIRT REMOVAL FOR HARD SURFACES

To prevent dust and dirt from spreading while building or remodeling, Surface Shields® also offers Clean Mats. Each mat contains 30 tabbed sheets for easy removal of each layer. These effective mats are commonly placed outside dust/lead containment areas or used as a door mat when entering a building. *Shown CM2436B4, below: CM2436W4*

Springfield, IL: Residential build using Builder Board™ heavy duty paperboard protection, featured p. 11.

SPECIALTY PROTECTION PRODUCTS

In establishing ourselves as the largest single source supplier of dust containment, surface protection and adhesive tape, we have expanded even further to offer our unique specialty product line. From Window Shield, Door Armor, Multi Applicator and all-new Builder Board™ Seamer, Surface Shields® has specialty products designed to make the job easier while offering the same dependable protection you've come to expect.

2

2

1 BUILDER BOARD™ SEAMER

DURABLE TAPE APPLICATOR

Apply Builder Board™ Seam Tape faster than ever with the Builder Board™ Seamer. This durable tape applicator significantly cuts down time and effort applying any tape on the job—and provides a consistent, even application to any surface. Seam together protection for the entire job by applying Builder Board™ Seam Tape, All Purpose Blue, PE tape and others with the Builder Board™ Seamer. *Shown BLDAPP*

2 ENTRY SHIELD

DOOR JAMB PROTECTION

Available in a thick paperboard or plastic material to defend against dents and scratches, heavy-duty Entry Shield opens to fit most door casings and is available in 6 and 8 inch widths. Never spend money during a job repairing door jambs again. *Shown above: ES72P10, left: ES6048C50*

Featured left: seam together Builder Board™ and other surface protection for the entire job with the all-new Builder Board™ Seamer. Leave the knee pads in the truck and start applying tape faster than ever before.

1 MARBLE SHIELD

SELF ADHESIVE FILM

Protect marble and cast polymer from chips and scratches with durable Marble Shield. It provides an excellent moisture barrier and resists ripping and tearing due to our special formula. Marble Shield rolls on smoothly and removes just as easily, without any leftover residue. *Shown MA324600*

2 WINDOW SHIELD

SELF ADHESIVE FILM

Protect windows against mortar stains, stucco, over sprays, residue and more with the easy to apply Window Shield. Formulated to never leave a residue, this protective film is available in short, medium and long term protection, ranging from 45 days to 1 year. Start saving time and money on the job with this dependable window film. *Shown W2B24250*

1

2

3

3 MULTI APPLICATOR®

ADJUSTABLE FILM DISPENSER

The Surface Shields® Multi Applicator is the perfect tool for applying film quickly and easily. Use this protective film applicator to apply Carpet Shield, Multi Surface Protection Film or many other types of floor protection film. It's simple to load and saves an incredible amount of time covering larger areas on the job. *Shown A3660*

4 DOOR ARMOR™

INDOOR SELF ADHESIVE FILM

Protect doors during construction with Door Armor.™ This heavy duty, co-extruded film resists and prevents marks and scratches. It is unique resin that adheres to almost all smooth and lightly textured surfaces. Use it on factory finished wood, factory finished metal, composite, even glass, without the risk of adhesive residue. This door protection film is easy to apply and allows for fast application and removal. *Shown DA1035150*

4

5 PLAN SHIELD

DOCUMENT PROTECTION

These large pouches open and close with a sliding zipper and are made with extremely thick vinyl ensuring that plans remain safe and dry on the job. *Shown PC2436*

5

ADHESIVE TAPES

With the quality and dependability our customers have come to expect from Surface Shields®, we continue to develop our line of professional adhesive tapes to meet growing industry demand. Whether you need a specific grade of Duct Tape, rolls of our industry-changing Ultrastik™, cases of Builder Board™ tape, or even something more specialized, Surface Shields® offers nearly twenty varieties of the toughest jobsite tapes on the market.

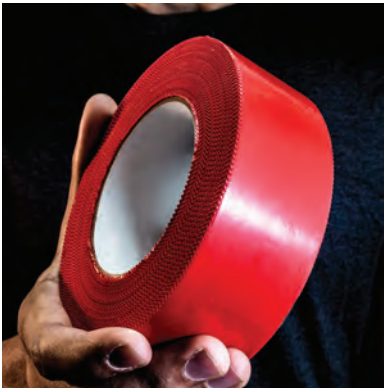

ARMBAR
SUPERIOR HOLD P.E. TAPE
Made in U.S.A. 100% POLYESTER
www.armbar.com

ARMBAR™ SUPERIOR HOLD PE TAPE

ARMBAR™ is proudly made in America and has been developed from the core out with superior adhesion to leading competitors. It's been engineered with unprecedented quick release and clean edge / tear. ARMBAR™ boasts an uncompromising 7mil thickness and grips surfaces flat while minimizing stretch to prevent peel back. A true American Adhesive.™ Compare to Scapa 234/135, Shurtape 444, Cantech 249/250. *Armbar branded retail packaging.
