|------------|---------|--------------|---------|
| BLDFR36100 | Natural | 36in x 100ft | 24 lbs. |
|------------|---------|--------------|---------|

INSTRUCTIONS

Remove plastic sleeve. Place on desired surface and unroll. Cut to length with utility knife. Seam multiple pieces together with an appropriate Flame Resistant adhesive tape to help protect surfaces for the entire length of the job. Replace as needed.

HANDLING AND STORAGE

No special handling requirements. Keep away from moisture, liquids and high humidity. Paper products will not release hazardous chemicals under normal conditions of use.

USES

Protects Granite, Travertine, Marble, Terrazzo, Stone, Colored Concrete, Tile, Wood, Carpet, Linoleum, etc. Excellent protection for floors, walls, counter tops, cabinets and more.

SAFETY

Upon review of relevant OSHA regulations and the characteristics of paperboard, an SDS is not required because paperboard falls within the exemptions for a “manufactured article” and “wood products.”
