

BUILDER BOARD™ HYDRO SHIELD™

When liquid protection matters most, you can depend on Hydro Shield.

Hydro Shield offers durable, waterproof protection with a poly coating engineered for performance. The board has virtually no roll memory, ensuring a quicker and easier jobsite installation. Made from material that would otherwise go to waste, Hydro Shield gives it new life - without compromising on quality. Its white surface is stain and residue free while standing up to the toughest conditions. Dependable, waterproof protection that lasts.
