

PLASTI-SHIELD PRO™ FR

FIRE RETARDANT

Tested and certified to meet NFPA-701 standard.

Say goodbye to heavy, bulky hardboard sheets, and hello to Plasti-Shield Pro™ FR.

Fire retardant, high density corrugated plastic sheets are reusable, liquid resistant and **60% lighter than Hardboard**. Plasti-Shield™ Pro FR is ultra heavy-duty and one of the most versatile products, perfect for floor, wall, counter-top and window protection.

TOUGHER THAN THE JOBSITE.™

NEARLY 4X STRONGER THAN STANDARD PLASTI SHIELD® FR*
