

# PLASTI SHIELD REUSABLE PROTECTION

Widely used in the building and construction industries, this corrugated plastic sheeting is a lightweight, durable alternative to Masonite.

Plasti Shield is perfect for floor and wall covering protection, counter-top protection, temporary window or door replacement, and temporary clean room applications. Plasti Shield is extremely durable and can be precision cut with a standard utility knife and is also available in a fire resistant version.

Reusable

Heavy Duty

Fire Resistant  
(also available)

**TOUGHER
