

# PLASTI SHIELD® FR FLAME RESISTANT PROTECTION

*Tested and certified to meet NFPA-701 standard.*

**Lightweight, durable corrugated plastic sheeting with flame retardant additives.**

Plasti Shield FR is perfect for floor and wall covering protection, counter-top protection, temporary window or door replacement, and temporary clean room applications. Flame Retardant Plasti Shield FR is extremely durable and can be cut with a standard utility knife.

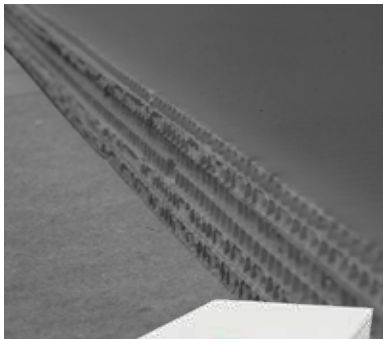

**TOUGHER  
THAN THE  
JOBSITE.®**
