

# COVER SHIELD *FR* FLAME RETARDANT PROTECTION

*Tested and certified to meet NFPA – 701 standard*

**Cover Shield provides heavy-duty fire retardant surface protection for a wide variety of industrial, medical, laboratory, nautical, military, and government applications.**

It rolls out quickly, easily, and is reusable. In many industries, Cover Shield can be used to replace costly alternatives like fire resistant plywood or door skins. Make the switch to premium Cover Shield today.

Recyclable
